

## AN IMPORTANT NOTICE FROM THE CONDO ARC

### **House Numbers - It is very important that house numbers be displayed on all homes.**

This is very critical for ***First Responders, including Fire and Police***, that are looking for your home in an emergency. Some homes are missing numbers or have faded numbers; these must be replaced. Some of the house numbers are obscured from view because of tall shrubs. Shrubs should be trimmed. These measures are for your safety.
