**Dear Unit Owner,**

In accordance with advice from the Master Board, Board of Directors Attorney, YOU ARE ADVISED that the SNUG HARBOR CLUBHOUSE **IS NOT A HURRICANE SHELTER** AND SHOULD NOT BE UTILIZED AS SUCH.

An **EVACUATION ORDER IS THE LAW** AND MUST BE FOLLOWED in regard to both residences and the Clubhouse.

**BE ADVISED** the Association **WILL NOT BE RESPONSIBLE** for any injury or damage occasioned upon anyone attempting to use the Clubhouse as a Hurricane Shelter.

You should follow the advice of the SNUG HARBOR EMERGENCY MANAGEMENT COMMITTEE and plan now so that you will have a safe place to go in the event there is a **MANDATORY EVACUATION ORDER**.

Thank you for your anticipated cooperation in this very important matter.
