## **MASTER BOARD**

The Master Board held its Monthly Meeting on Thursday, April 17, 2025, at the clubhouse. Board members discussed several community initiatives, ongoing maintenance projects, and ways to continue improving services for our residents.

We are pleased to announce that our office is now accepting electronic payments for monthly dues! This new option provides a faster, more convenient way for residents to stay up to date with their accounts. If you would like more information about setting up electronic payments, please contact the office. Cindy will be happy to walk you through the process.

During the meeting Dicc Bowdler provided an update on the Joint Board Planning Committee. This committee will bring together members

from all three boards - Master, Lakes, and Village, along with the architectural committee to coordinate planning for maintenance and future projects.

A proposal has been obtained for the annual tree trimming on the community's common grounds. Stafford Equipment is scheduled to begin work the first week in May. While their workers and equipment are here on site, they are offering a discount for any residents that would like to have tree trimming work done on their property. If interested, please contact Stafford at (772-301-4700) for pricing.

Over the past few months, the board has been reviewing our service providers. Thanks to the hard work of our new Manager, Cindy, and our Treasurer, Sharon Matteson, we are pleased to report an annual cost savings of

approximately \$20,000.

Thank you Cindy and Sharon for your outstanding efforts.

We would also like to address a recent rumor: there has been some confusion regarding Sharon's time spent in the office. To be clear, Sharon, like all board members, is a volunteer and does NOT receive any form of payment. All our board members dedicate their time and talent freely to keep the community a wonderful place to live, and we are grateful for their service.

Additionally, after obtaining bids from several companies, the board unanimously approved contracting with magic Touch Maids as our new janitorial service provider. Our goal is always to secure the best service and value for our residents.

We encourage all residents to

attend the monthly meetings. If you have any questions or concerns, we are happy to assist in any way we can. Our last meeting before the summer break will be held on May 15, 2025, at 6:30 p.m. in the clubhouse.

Finally, a sincere thank you to all our board members for the time, energy, and dedication you bring to serving this community. It is a pleasure to work alongside such committed individuals—your efforts are truly appreciated.

Linda Vitiello  
President

## **CONDOMINIUM BOARD NEWS**

Condominium Board Meeting  
was held April 17, 2025

Residents stood for the  
Pledge of Allegiance

Fred Osterbeck talked about an e-mail received from a resident that an area on Bannock St. that is an easement for Florida & Light, is being used by residents on golf carts, bicycles, and dog walkers as a short cut to Osprey Rd. Fred asked residents to refrain from using this area as a short cut.

Valerie gave an update on ARC Forms submitted from March 20 - April 10. There were eleven requests to include Paver Install, Window Replacement, Paint Driveway (2), Trim Painting & Foundation, Ramp Install, Enclose Waste Receptacles with Lattice (2). Paint Home (2), all were approved.

Fred Osterbeck spoke about various proposals received from Country Green, and Stafford Equipment for Brush Clearing along Shared Fence on Bison St., Clearing of Brush on Bison St., Trimming of Palm Trees on Bison St., Dredging of Drainage Ditch on Bison St. All were approved.

A resident complained about junk that has been left on a driveway on Bannock St. This will be addressed as to a solution on having the trash removed.

Next Condominium Board Meeting will be held on May 15, 2025 at 6:00 p.m.

## **FROM THE OFFICE**

### **ELECTRONIC PAYMENTS**

We are happy to announce that we are now set up to receive dues payments electronically by either ACH (checking account), Credit or Debit. If you are interested in utilizing this method of paying your monthly dues, you may do so by emailing us at ***snugharbormicco@outlook.com***. In your email, include the following:

-Name

-Address

-Which method of payment you choose, ie. ACH/Credit

-How many months or total amount you would like to pay.

You will then receive an email with a link to where you can enter your information and make a payment.

NOTE: ACH payments are charged a 1% fee and credit/debit payments have a 3% fee.

### **BANNOCK TO OSPREY "SHORTCUT"**

This article is a message to residents who have made a habit of cutting from Bannock to Osprey through the common grassy area under the powerlines. Please refrain from using this area as a shortcut to Osprey/Barefoot Bay as it has now opened this area up as a passthrough for non-residents and causes a disturbance to those living adjacent to this open area. Kindly take the few minutes to drive down to the main entrance when entering and exiting the community.

### **NOTICE TO SNOWBIRDS**

We have several residents heading to their summer homes over the next few months. If you are one of our Snowbirds, please be sure to give the office a heads up when you are preparing to head out of town so that we may assure we have your updated information on file. There may be a time when you are gone that we will need to reach you. In any event, also be sure to notify a neighbor when you depart and use the "buddy system" so that you always have someone here to keep an eye on your home/property. We will miss you and wish you safe travels.

### **RENTAL REMINDER**

Just a reminder to those of you who may use your home as a rental property. At the beginning of any new lease, your renters will need to complete the application/registration documents with the front

office and receive approval before move-in. Also, note that the process for the FOB keys has slightly changed in that the FOB keys are assigned to the unit, not the individual. Therefore, it is your responsibility to assure your FOB keys are passed on to your renters.

## **SNUG HARBOR VILLAGE NEWS**

- ☐ The New Board finished their first few months. Things keep getting better. Hope everyone enjoys the next few months off
  - ☐ We received a new flag. Unfortunately, with the weather conditions out front, the flag is fraying already and we haven't even seen the Hurricane Season
  - ☐ We are always looking for new Board Members if anyone would like to volunteer. Currently we are looking for a VP and Treasurer. If you would like to volunteer for The Board,
- please go to the office and let Cindy know or send an email to ***snugharbormicco@outlook.com***.
- ☐ We are also in need of a couple more volunteers for the ARC Committee, so thank you everyone who volunteered.
  - ☐ If a resident is going to make changes to the outside of their homes, please fill out an ARC Form before you start or finish the work. We should know there are steps before changes can be made. Be mindful of this going forward.
  - ☐ Attendance at these meeting is still very low, we have had a few more people attend the last two meetings. The Board works hard for the Community, show your support. If you have an idea, questions or any other concerns, please email Cindy. The board will discuss before the meeting and place it on the agenda for the next meeting. Asking questions at the meeting doesn't always work. We would like to discuss as a

Board and get the correct information back.

□ Remember, The Board lives here also and are volunteers, so please show support.

□ Walking at night, please wear reflective clothing or carry some type of light so the folks driving at night can see you.

□ Speed is getting out of hand. Cars are flying through this small community. The Speed limit is posted as you come into the Community – 20 MPH.
